Course Description:

Students in high school theatre arts courses will study, write, research, critique, create, design, perform and participate in a variety of theatre-based learning experiences. Three levels of instruction are included in the following framework. This plan allows for a total of four years of theatre arts classes. The courses will include instruction in performance and design techniques, style, historical motifs and genres - creating performance-based experiences while using appropriate technology and media. These courses will develop critical thinking, creativity and aesthetic perception and will reinforce skills in leadership and collaboration. The program of study will generate a heightened sensitivity to the arts and will explore theatre's significance and influence on society.

Grading:

Class Participation/Effort	25%
Tests/Class Performances	25%
Rehearsals/Performances/Projects	50%

Discipline:

All students are required to follow Johnson County High School rules as stated in the handbook and will be subject to the disciplinary consequences set by Johnson County High School.

The following disciplinary action will be taken if the rules are violated during Theatre Arts Class:

1. Warning
